

# EPC450V2

- HANKOOK ANTENNA P/N : HA -460W-MS

## SPECIFICATION

### ELECTRICAL SPECIFICATION

|                  |                  |
|------------------|------------------|
| Center Frequency | 460MHz           |
| VSWR             | < 2.0            |
| Impedance        | 50 Ω             |
| Radiation        | Omni Directional |
| Polarization     | Vertical         |
| Gain             | Unity            |

### MECHANICAL SPECIFICATION

|              |                  |
|--------------|------------------|
| Radiator     | Φ3.2 Speedo Wire |
| Sleeve       | Urethane         |
| Cap          | ABS              |
| Connector    | Stud             |
| Total Length | 170 ± 3mm        |
