

# Multi-Purpose Mouse Pad

**Protects and cleans notebook computer and improves mouse control**

**Three-in-one function helps protect and clean notebook computers and improves mouse control.**

The MANHATTAN® Multi-Purpose Mouse Pad fits between most notebook computer displays and keyboards to protect LCD screens from damage during transport. Its soft, lint-free microfiber surface removes dust from notebook computer LCD displays without scratching. This specially textured surface also helps optimize beam detection for definitive mouse pointer location and minimized cursor fade or jitter. The low-friction surface provides smooth movement for comfortable, long use with less effort. A durable, neoprene layer provides a non-slip grip that protects desktops from scratches and excessive wear.

## **Lifetime Warranty**

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.
